

Gamestime Security Screening staff (GSS) to play an integral role in the Vancouver 2010 Olympic and Paralympic Winter Games

Securing an international event takes the dedication of thousands of employees with varying levels of experience across multiple disciplines.

Contemporary Security Canada (CSC) is looking to hire a workforce of approximately 5000 who will be responsible for maintaining the safety and security of the Games guests and participants at the 27 competition and non-competition venues across Vancouver and Whistler.

Gamestime Security Screening staff (GSS) can expect to play an important part in one of the most significant events held in Canada; the Vancouver 2010 Olympic and Paralympic Winter Games.

GSS Staff will work in a variety of positions which include: Security Screeners, X-Ray Operators, Communications Operators, Portal Supervisors and Venue Managers.

GSS Operators will be located at the entrance to all venues where they will screen Olympic guests from around Canada and all over the world including: athletes, spectators, dignitaries, media and officials.

Our combined experience makes us the ideal choice to maintain the safety and security of Games guests and participants at the 27 competition and non-competition venues across Vancouver and Whistler.

Working the games may be one of the most memorable experiences employees will ever have and part of this will come from working closely within the GSS Portal Team to ensure the safety and enjoyment of all guests.

What will your 2010 Olympic experience be? Hiring is well underway, and positions are filling quickly. To ensure you don't miss out on this once in a life time experience, apply now.
